The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's name 'Dharanipriya Rajasekar...'. A 'Create resource' button is prominently displayed. The main content area, titled 'Dashboard', features a 'For you' section with several recommended actions: 'Build' (a large blue box), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), 'IBM Watson Knowledge Catalog' (2 min), and 'IBM Cloud Service' (2 min). Each action includes a brief description and a 'Getting started' button. Below this, there are sections for 'User access' (with a 'Manage users' link), 'News' (listing 'IBM Cloud Satellite New Pricing' and 'IBM Cloud Data Shield Deprecation'), and 'Planned maintenance' (with a 'View all' link). A chat icon is visible in the bottom right corner.
